

Encore President & CEO Ashish Masih Named CEO of the Year by San Diego Business Journal

July 12, 2022

SAN DIEGO, July 12, 2022 (GLOBE NEWSWIRE) -- [Encore Capital Group, Inc.](#) (NASDAQ: ECPG), an international specialty finance company, today announced that its President and CEO, Ashish Masih, has been named a CEO of the Year by the *San Diego Business Journal* in its large public company category. Masih was selected on the strength of Encore's business performance and its caring, collaborative and inclusive culture.

Masih has served as Encore's president and CEO since 2017 and has been with the company for 13 years. Under his leadership, the company launched its refreshed [Mission, Vision and Values](#) (MVV), which define Encore's purpose and guide every interaction with its consumers, clients, and the company's 6,600 global colleagues. The company has also increased its commitment to [Environmental, Social, and Governance \(ESG\)](#) efforts as an extension of its MVV. To better understand consumer preferences and perspectives, Encore commissioned and released its inaugural [Economic Freedom Study](#) in 2021 and has implemented a new consumer satisfaction feedback system.

"I'm so proud of our team for the way they've risen to the challenges of the last couple of years – keeping each other safe and healthy in our work environment, contributing to the betterment of the communities in which we work and supporting the consumers we serve," said Masih. "This award is truly a reflection of the care and commitment to making the positive differences they deliver every day."

Encore's business has delivered unprecedented financial performance during Masih's tenure. In 2021 alone, revenues grew 8% from the previous year to reach a record \$1.6 billion, and net income grew 66% over the prior year. The company has also maintained a strong commitment to philanthropy, matching employees' volunteer hours and charitable donations, and it invested heavily in meeting the needs of Encore employees and their communities during the pandemic. Of particular importance, the company launched a COVID-19 Employee Assistance Center near its facility in the Gurgaon district in India to provide colleagues and their dependents with critical medicines, oxygen support and information to urgently secure resources such as available intensive care hospital beds.

Masih earned a Master of Business Administration from The Wharton School of the University of Pennsylvania, a Master of Science in Manufacturing Systems Engineering from Lehigh University and a bachelor's degree in Mechanical Engineering from the Indian Institute of Technology in New Delhi, India.
